REMARKS

In the Notice of Non-Compliant Amendment, the Examiner stated that the amendment, mailed December 11, 2006, did not provide a complete listing of all of the claims. In the foregoing amendment, claims 1-83 are canceled. These claims are canceled without prejudice and Applicants reserve the right to pursue claims of the same or similar subject matter in continuing applications.

In view of the foregoing amendment and remarks provided in the previous response, Applicants believe claims 84-107 are in condition for allowance and early notice thereof is requested.
